Fluid Property Packages...	Unit Price	Quantity	Total
<b>GASPAK<sup>1</sup></b> v3.35 Excel Add-In (32 bit) ... <i>New License</i>	\$ 650		
v3.35 Excel Add-In (32 bit)... <i>Upgrade from earlier GASPAK version</i>	225		
v3.45 Developer's Package - ActiveX DLL (32 bit)... <i>New License</i>	550		
v3.45 Developer's Package - ActiveX DLL (32 bit)... <i>Fortran Upgrade</i>	350		
v3.32 Developer's Package - Fortran Source Code... <i>New License</i>	2,200		
v3.32 Developer's Package - Fortran Source Code... <i>Upgrade</i>	550		
Fluid Property Packages...	Unit Price	Quantity	Total
<b>METALPAK<sup>1</sup></b> v1.10 DOS (32 bit) Executable (all WinOS through Windows 8)	\$ 550		
v1.10 Developer's Package - Fortran Source Code	1,375		
<b>CPPAK<sup>1</sup></b> v1.20 DOS (32 bit) Executable (\$150 if purchased with METALPAK)	325		
v1.20 Developer's Package - Fortran Source Code	825		
<b>EXPAK<sup>1</sup></b> v1.20 DOS (32 bit) Executable (\$150 if purchased with METALPAK)	325		
v1.20 Developer's Package - Fortran Source Code	825		

Fluid Property Packages...	Unit Price	Quantity	Total
<b>HEPAK<sup>1</sup></b> v3.40 Excel Add-In (32 bit) ... <i>New License</i>	\$ 650		
( <sup>4</sup> Helium Properties) v3.40 Excel Add-In (32 bit)... <i>Upgrade from earlier HEPAK version</i>	225		
v3.42 Developer's Package - ActiveX DLL (32 bit)... <i>New License</i>	550		
v3.42 Developer's Package - ActiveX DLL (32 bit)... <i>Fortran Upgrade</i>	350		
v3.40 Developer's Package - Fortran Source Code... <i>New License</i>	2,200		
v3.40 Developer's Package - Fortran Source Code... <i>Upgrade</i>	550		
<b>He3Pak<sup>2</sup></b> v2.0 He-3 properties, stand-alone Windows OS executable (32 bit)... <i>New License</i>	650		
( <sup>3</sup> Helium Properties) v2.0 He-3 properties, stand-alone executable (32 bit)... <i>Upgrade</i>	450		

- Notes:*
- GASPAK, HEPAK, METALPAK, CPPAK and EXPAK are licensed as a *Small Group License*, allowing up to 10 users in the same organization, location and work group to use the software.
  - He3Pak is licensed as a *Single User License*. Pricing for multiple He3Pak user licenses: 2 users \$1300, 3-4 users \$1650, 5-10 users \$2100.
  - Software delivery by e-mail attachment unless a backup CD is purchased. CD price includes export fees and postal delivery charges - within USA / Canada \$25, otherwise obtain quote from Horizon Technologies (e-mail sales@htess.com) for actual export and shipping costs.
  - For delivery within the State of Colorado, USA, add 4.2% of product price for state sales tax.

## Software Products Order Form – Page 2

All *CryoSoft v8.0* products include Fortran Source Code and are designed to run on a UNIX or LINUX operating system. See Note 5 below for delivery of *CryoSoft* codes.

Purchase of an *Upgrade License* on the *CryoSoft* codes applies only to individual products purchased in the past and requires authentication (date when company made prior purchase).

<i>CryoSoft v8.0 Suite Superconductivity Analysis...New License...</i>			Unit Price	Quantity	Total
<b>SUPER-MAGNET</b>	v2.0	Multi-tasking code manager for the integration of codes	3,500		
<b>THEA</b>	v2.1	Thermohydraulic and electric analysis of SC cables	7,500		
<b>FLOWER</b>	v4.3	Cryogenic hydraulic network analysis	3,000		
<b>POWER</b>	v2.1	Electrical circuit analysis	2,000		
<b>HEATER</b>	v2.0	Transient/steady-state heat transfer conduction in 3D solids	4,500		
<b>MAC</b>	v3.9	Field, inductance, forces and AC loss analysis of SC magnetic sys.	4,000		
<b>ZERODEE</b>	v1.3	Zero-dimension stability analysis	1,500		
<b>CID</b>	v1.0	Cable interactive designer	1,500		
<b>OPTICON</b>	v2.2	Optimization of cross section of superconducting (SC) cable	500		
<b>Assistance Package</b>	12-month access to expert guidance and assistance in model building		1,500		

<i>CryoSoft v8.0 Suite Superconductivity Analysis...Upgrade License...</i>			Unit Price	Quantity	Total
<b>SUPER-MAGNET</b>	v2.0	Multi-tasking code manager for the integration of codes	1,200		
<b>THEA</b>	v2.1	Thermohydraulic and electric analysis of SC cables	2,500		
<b>FLOWER</b>	v4.3	Cryogenic hydraulic network analysis	1,000		
<b>POWER</b>	v2.1	Electrical circuit analysis	650		
<b>HEATER</b>	v2.0	Transient/steady-state heat transfer conduction in 3D solids	1,500		
<b>MAC</b>	v3.9	Field, inductance, forces and AC loss analysis of SC magnetic sys.	1,300		
<b>ZERODEE</b>	v1.3	Zero-dimension stability analysis	500		

### Bundled Pricing on the *CryoSoft v8.0 Suite*:

SUPERMAGNET + 2 other *CryoSoft* products:

15% discount applied to all *New License* products

12% discount applied to all *Upgrade License* products

SUPERMAGNET + 3 to 5 other *CryoSoft* products:

20% discount applied to all *New License* products

15% discount applied to all *Upgrade License* products

SUPERMAGNET + 6 or more other *CryoSoft* products:

25% discount applied to all *New License* products

18% discount applied to all *Upgrade License* products

### Notes:

- Delivery of *CryoSoft* codes is normally by CD, and CD price must be included in Payment box (Page 1) which includes export fees and postal delivery charges – within USA / Canada \$25, otherwise obtain quote from Horizon Technologies (e-mail [sales@htess.com](mailto:sales@htess.com)) for actual export and shipping costs.

**RETURN and EXCHANGE POLICY** – Upon receipt of the software, please review the **END-USER LICENSE AGREEMENT (EULA)**, the **SOFTWARE PRODUCT LICENSE** type listed on the License Certificate, and associated computer operating system. If any of these are not what was ordered you have ten (10) business days from date of your receipt of the software to request an exchange for the correct license type or version, and only if such version is available. A refund of the purchase can be made within ten (10) business days, less incurred shipping, agency handling, and customs/export fees, if the software is shown not to operate as documented in the User's Guide. The software cannot be returned for exchange or refund after ten (10) business days.

**HORIZON TECHNOLOGIES DISCLAIMS** all warranties other than replacement of damaged media (Section 5 of the EULA), either expressed or implied, including, but not limited to implied warranties of data accuracy, calculation accuracy, merchantability, or fitness for a particular purpose, with regard to the **SOFTWARE**, the accompanying electronic and written materials, and any accompanying property data accessed by the **SOFTWARE PRODUCT**, whether originally supplied by Horizon Technologies or obtained through a third-party supplier. As a result, **THIS SOFTWARE IS PROVIDED "AS IS"**. Horizon Technologies is not responsible for any problems that may occur as a result of any incompatibility between the **SOFTWARE** and any other software or hardware. You assume responsibility for the selection of the software to achieve your intended purposes and suitable for your computer system.
